Club agreed to have Carson Davis buy display shelving not to exceed \$125. Suggestion was made to make the maximum \$250, but it was turned down. Donations for our display are welcome. Jim Anderson will provide shelves. Ron Posten will provide electrical.

Refreshments for April will be provided by Ken Upton and Dalton Wilhoit.

We plan to have a toy workshop the first Saturday of each month, starting on April 1. Time is from 8:00am to 11:30am. It will be at Carson Davis' home at 519 Cherry Tree Lane, Anaheim.

We need suggestions for raffle gifts. We voted to keep 75% of each raffle to buy items for the next month.

Presentation tonight was Deft Product. Speakers were Julie Infante and Bill Douerty.

Welcome to new member Bob Chitwood.

April meeting program by Ron Posten, who will discuss how projects are judged for a show.
