The meeting was called to order by Jerry Poole at 7:02 pm. Jerry ran the meeting in Chuck's absence.

Chuck is in Australia and so Jerry read from the Presidents message from him.

The Christmas party will be at our normal December 11th meeting date. Pat has the signup sheet. If you did not sign up and would like to Barb Schmit is the contact.

Mike Johnson was looking for the contact information about the website, Jerry had the information he was looking for.

The Wood Show is Oct 31st – Nov 2nd. There are still a few slots open for our booth. The sheet was passed around. Barb is the contact for signup after the meeting. Barb and Larry Olsen are going to bring saws. We may have a third one also. If you are working in the booth you will get free admittance to all 3 days of the show.

Steve Groves passed away the 1st part of August after a long illness. He was a charter member of the club and his wife will be an honorary member now.

Toy program updated from Don Borchardt –

There are 1884 toys made and we have places to donate them all. Special thanks to Mike Johnson for getting things done and having a shop available. Special thanks to Carson Davis for painting. Don has 21 charities lined up to take the donations this year. He even had a couple organizations call him asking if he had things available.

Don passed around a jewelry box that is made from the round plywood that Jim Anderson donates from his business. Because of the donated supplies there is no cost to make these items.

Packaging will be done at Larry Olsons' on November 12th at 9:00 a.m. Over 1800 toys to pack and then delivered. He would like 21 people to be there so each person can take one agency and pack and deliver the items. All the organizations are local.

Don received a call from the Tustin Street Fair organizers. They are going to have an Art Walk next Saturday, October the 18th. They invited us to have a booth to display and sell crafts. The booth cost is 25.00, but Don said they were looking into waiving the charge. Contact Don if you are interested.

Don and Mike Johnson went to the Austin Hardwoods Open House. They had a good time and made a contact with a person from Deft Paint. Put in a word to him about donating paint for the Toy program.
