

Minutes of the Orange Count Scroll Saw Association – Jun 11, 2009

The meeting was called to order by Chuck Collins at 7:00 pm.

Barb Schmit –

Member ship notes - 1) If you want a name badge sign up on the sheet at the front desk. Cost is 8.00. 2) If your picture is not on the member picture sheet, please see Barb to have your picture taken.

Chili cook-off report. We had a good turnout both with workers in the booth and members coming by to say hi. After deducting the 115.00 in related expenses we netted 591.00 income. Thanks to all who participated. There was a note made that if we had more of the basketball games with us we probably could have sold them.

Upcoming events - June 13th there will be a workshop at Richard Berstad's workshop.

San Diego Fair – 5 members submitted entries. As of the meeting at least 3 of them had been notified of some type of award. Congratulations to all who entered.

Orange County Fair – This years entry deadline is past, but start thinking about next year. There are still some openings on the sign up sheet for the booth at the Fair. We will have the booth from July 15th thru the 19th. See Barb for sign up information. The signup sheet is available for viewing on the Yahoo groups page.

Don – Toy workshop update. 700 more cars ready, and several more were brought to the meeting.

Home Front USA contacted Don. They are one of the organizations we donate toys too. They are a support group for spouses of active military. They are having a chili cook-off on October 4th and would like for us to participate with a booth. The cost if 50.00 for the booth including power. The club passed the motion to do this. Barb will contact them and find out the details.

The next toy workshop will be on the 19th of June at Don's workshop.

Barb introduced the 3 visitors that found us at the chili-cookoff. Also 2 new members were introduced.

Jerry Poole – 3 new videos of the presentations from the last several meetings are now available in the library.

LaVaun Ward is currently publishing the newsletter. Please submit things for the next edition before the end of the current month. Need Tips / Quotes / classified ads.

Chuck had information at the meeting about a Dewalt scroll saw for sale. Excalibur is donating two saws for use at the SD and OC fair. They will be available after the fairs at 10% discount with no tax and shipping.

Jack Copeland from the Baldy View Club has a 1986 Hegner with stand and light available for reasonable offer.

There was information at the meeting about a drum sander for sale for 450.00.

Larry Finger reviewed the things in tonight's raffle.

We were contacted by a club in PA that is looking for donations for a fund raiser they were holding. There were some suggestions offered. Chuck will work on it.

Jim Steele had updated information about the new paint law for toys. There was an article in WOOD Magazine. The enforcement has been delayed again and the law may just go away. It is not written in a way that it will do what it was intended to do.

We had our election of officers. Names submitted were – President – Chuck Collins / Vice president – Barb Schmit / Secretary – LaVaun Ward / Treasurer – Mike Johnson. There was a motion / second to accept the nominees. The motion passed. 3 of the 4 officers are in their second term so will need new people to step up next year.

SAW -Emil Welden – The pattern for the double heart that he spoke about last month is available. He brought copies to the meeting. Also encouraged us to join SAW. One of the benefits is their online pattern library.

Ed Straub is looking for data from Fair entrants for the biographies they are putting together. This information will be on display at the fair for attendees to find out information about those who contributed entries to the fair.

If you are working the booth at the fair you need a name badge to get in. Barb will get them an updated list of participants. Ed was not sure when and how this was going to be available since there is still a lot of construction going on around the administration area at the fair grounds. He was going to get us information by email. As of 6/30 as the secretary, I have not received anything. Hopefully we will have information available for the newsletter.

All items accepted for the OC Fair will be on exhibit the entire fair.

Entries to the OC Fair need to be delivered June 26th and 27th to Building 15.

Mike Johnson gave the treasurer's report :

Ending balance 6/11/09 \$1907.27

He also has 700.00 that he has not put in the bank yet.

Mike has someone that is looking for a source for walnut boxes. Please contact Mike if you are interested in this.

Black and Decker scroll saw available for sale. I believe this was also Mike Johnson.

After the break Wayne Martin with West Coast Battery Builders gave a presentation on rebuilding batteries. They had handouts and the presentation was very informative.
