

***What's New .....***

Welcome and Hello

My name is Bill Snyder. Starting this month, I will be the new editor for the newsletter. A meaningful newsletter requires input from the membership concerning its content and format. While club business, meeting minutes and other activities are an important source of information, what really makes for a vibrant newsletter is input from the membership. Your contributions and input are needed to keep it fresh and alive. So please contact me with any ideas, suggestions and contributions. You can reach me at the club meetings, by telephone at (714) 537-2885 or email me at [rwsnyder@dslextreme.com](mailto:rwsnyder@dslextreme.com). I look forward to hearing from you.

A note on this month's newsletter. I am following last month's format and content while I get my feet wet. Over the next couple of months I intend to "stylize" it a bit. Do you have any ideas or preferences? The newsletter will be available on the internet or mailed to those with no known email address.

Our past officers have done a tremendous job of developing and nourishing our club for these past years. At the same time they have expressed a need to share the load and allow others to lead the club. A sincere thanks and congratulations to Barb Schmit and Chris Davis for stepping up to the challenge.

New interim officers were elected at the October meeting:

Barb Schmit	President
Chris Davis	Secretary/Treasurer

Volunteers:

Event Coordinator	Don Borchardt
Newsletter	Bill Snyder
Web site	Larry Vierstra
By-law revision	John Rigdon

---

We owe our past officers a huge debt of gratitude for their dedication and hard work over the past few years. They have set a high standard for the club and we can feel confident that with their continued support and your input, the club will continue to prosper and grow.  
**Thank you past officers for a job well done!**

### ***New Member Welcome***

We had two new members sign up last month - Joe Farace and Dalton Wilhoit. Please join me in extending a warm welcome to our new scrollers. Be sure to say hello to both of them at the next meeting.

Dalton even showed off some of his talents...
