Big April Meeting....No Fooling

Ron Posten will be our speaker and discussing proper finishing of projects and how items are judged competitively.

Ron would like to have some examples. Please bring in some of your work for us to see. All levels are encouraged.

The Pomona show is coming up May 5 - 7, which means that this next meeting is the last one before the show. If you want to display a project, but won't be at the beginning of the show, please bring in your project so we can get it into the show for you.

Welcome new member Bob Chitwood

Next meeting is May 12th at our regular time and place.
